

ANP members can now benefit from discount subscriptions to **BMJ Learning** and **Best Practice** from BMJ Group.

BMJ Learning

BMJ Learning is an independent and peer-reviewed CPD and postgraduate training site, offering nurses a fast and convenient way to keep up to date with developments in medicine. Courses you complete on BMJ Learning are automatically stored in your online 'plan and record', so you can print certificates of completion as evidence for your appraisals. There are over 300 courses on the 'Primary Care Nurse CPD' BMJ Learning website, and complete access is available to ANP members at a discounted rate of just £25 + VAT.

BestPractice

Best Practice is an online decision-support tool that combines the latest research evidence, guidelines and expert opinion via one easy-to-use resource. Its step-by-step guidance provides healthcare professionals with fast and easy access to reliable, up-to-date information when making diagnosis and treatment decisions. The practical navigation allows users to jump straight to the information they need at the point of care or review topics in depth to support further learning. Viewed pages can be saved to a learning plan and record to support your personal development. A personal subscription to Best Practice is now available to all ANP members for **just £35 +VAT**.

ANP members who subscribe to both BMJ Learning and Best Practice will pay **just £47 + VAT** for complete access.

Please note: to receive the advertised ANP subscription rates, ANP members **must** subscribe via the [ANP website](#).
